## NEW qaba™ WEEKEND SHAMPOO

### What is Weekend shampoo?

qaba™ weekend shampoo is a low foaming ultra-mild shampoo that begins treating hair without removing moisture. It strengthens thirsty dehydrated hair by restoring moisture, while providing protection from UV rays.

This blend of Certified Organic evening primrose oil, Certified Organic soybean oil & Certified Organic wheat germ oil will treat your hair & scalp like never before. The condition of your hair will be improved by enriching flower water, while pure essential oils also help stimulate the body, mind and soul.

### Who can use it?

All hair types, whether fine, coloured, dry, coarse or children's hair. Especially good for thirsty dehydrated hair.

### How to use it:

Place a small amount of qaba™ weekend shampoo in palm, massage into scalp through to ends, rinse well and repeat if necessary. Condition with the appropriate qaba™ conditioner or use qaba™ hair masque and enjoy beautiful glossy soft hair.
